<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
City of Harrisburg	This funding will support the City of Harrisburg's plans to dechannelize Paxton Creek, which is a major waterway in the city. Once fully completed, this project will address flash flooding concerns and resolve longstanding safety challenges experienced by the community due to the existing channel.	Dauphin County PA	\$500
Borough of West Pittston	This funding will go to the Borough of West Pittston to use on a levee project that will provide flood protection to over 900 homes and businesses.	Luzerne County PA	\$1,500
City of Williamsport and Lycoming County	This funding support the City of Williamsport and Lycoming County's plans to make critical safety improvements to the Greater Williamsport Levee, the second largest flood control system of its kind in Pennsylvania. These measures will prevent overtopping and wall failure of the levee.	Lycoming County PA	\$3,000
Northampton County	This funding will be used to upgrade the public safety radio system to improve emergency and public safety communications in the region.	Northampton County PA	\$4,928
City of Philadelphia Water Department	This funding will go towards improving stormwater infrastructure in a high-need community in southwest Philadelphia that has experienced the harmful impacts of climate change.	Philadelphia County PA	\$1,500
