

# BOB CASEY

---

FIGHTING *for a FAIR SHOT for FAMILIES, KIDS and SENIORS*

---

To meet needs across Pennsylvania, Senator Casey secured funding for community projects in the FY24 federal spending bill. The funding will go directly to local governments, non-profit and community organizations, and more. Projects are listed below by region.

## **Southeastern Pennsylvania and the Lehigh Valley**

**Project Title:** Children's Crisis Treatment Center in Philadelphia

**Recipient:** HACE

**Amount:** \$1,500,000

**County:** Philadelphia

**Project Description:** This project will advance the development of a new child and family outpatient mental health clinic in the heart of Philadelphia's Latino community in North Philadelphia.

**Project Title:** Historic Carman Gardens Health Center

**Recipient:** North 10

**Amount:** \$1,000,000

**County:** Philadelphia

**Project Description:** This project will convert a former roller-skating rink into a full-service health and wellness center in the Hunting Park-East Tioga neighborhood of North Philadelphia. This will generate 20,000 square feet of space for health services providers in the community. Senator Casey secured this funding in partnership with Representative Boyle.

**Project Title:** Lambertton School Improvements

**Recipient:** School District of Philadelphia

**Amount:** \$500,000

**County:** Philadelphia

**Project Description:** This project will construct a new playground at the Robert E. Lambertton Elementary School in Philadelphia's Overbrook Park neighborhood. This playground will ensure that local students have access to a safe place to play and learn outdoors. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Evans.

**Project Title:** Philadelphia Healthy and Safe Schools (PHASeS) program

**Recipient:** Temple University

**Amount:** \$1,500,000

**County:** Philadelphia

**Project Description:** This project will expand Temple University’s Philadelphia Healthy & Safe Schools (PHASeS), an evidence-based program which places trained trauma specialists in K-8 public schools across North Philadelphia to help improve student performance and attendance and reduce school & community violence. Senator Casey secured this funding in partnership with Representative Boyle.

**Project Title:** Philly Schools Tree Canopy

**Recipient:** School District of Philadelphia

**Amount:** \$300,000

**County:** Philadelphia

**Project Description:** This project will work to increase tree coverage near Philadelphia schools to mitigate the urban heat island effect and improve air quality for students. Senator Casey secured this funding in partnership with Representative Evans.

**Project Title:** Northeast Frankford Boys & Girls Club Addition and Expansion Project

**Recipient:** Boys and Girls Clubs of Philadelphia, Inc.

**Amount:** \$500,000

**County:** Philadelphia

**Project Description:** This project will support the expansion of the Boys & Girls Club of Philadelphia's North Frankford Club, which serves nearly 700 youth in one of Philadelphia's most underserved neighborhoods. Senator Casey secured this funding in partnership with Representative Boyle.

**Project Title:** McPherson Square Library Renovations in Philadelphia

**Recipient:** City of Philadelphia

**Amount:** \$1,000,000

**County:** Philadelphia

**Project Description:** This project will make repairs to McPherson Square Library located in Kensington. This project will protect the library from water damage and ensure it remains in operation, thereby enhancing the quality of life of Kensington residents and helping to stabilize the neighborhood. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Boyle.

**Project Title:** Holy Family Home Redevelopment in Philadelphia

**Recipient:** Little Sisters of the Poor

**Amount:** \$1,000,000

**County:** Philadelphia

**Project Description:** This project will support renovations and improvements at the Little Sisters of the Poor's Holy Family Home. The home helps older Philadelphians age in place and supports older Pennsylvanians experiencing poverty.

**Project Title:** Vaux Community Building Auditorium Renovation

**Recipient:** Philadelphia Housing Authority

**Amount:** \$500,000

**County:** Philadelphia

**Project Description:** This project will restore the auditorium of the historic Vaux Community Building, allowing the center to complete their renovation and allowing for the facility to be fully used as a community meeting space. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Evans.

**Project Title:** Compassion Senior Living

**Recipient:** Community of Compassion, Inc.

**Amount:** \$2,000,000

**County:** Philadelphia

**Project Description:** This project will provide 38 units of affordable housing to low-income, older people in West Philadelphia, with a specific focus on older adults experiencing homelessness and those with disabilities. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Evans.

**Project Title:** NKCDC Ruth Street Civic House

**Recipient:** New Kensington Community Development Corporation

**Amount:** \$1,046,000

**County:** Philadelphia

**Project Description:** This funding will be used to build new homes for lower income veterans in the Kensington neighborhood. The new homes will provide affordable homeownership with a zero percent interest rate.

**Project Title:** Shelter Renovations

**Recipient:** Philly House

**Amount:** \$1,000,000

**County:** Philadelphia

**Project Description:** This project will renovate Philly House's headquarters to increase the emergency shelter's capacity and more effectively meet the needs of the city's homeless population.

**Project Title:** Abigail Pankey Apartments

**Recipient:** Women's Community Revitalization Project

**Amount:** \$1,000,000

**County:** Philadelphia

**Project Description:** This project will construct a new, 32-unit affordable housing development for families in the Mantua neighborhood of West Philadelphia. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Evans.

**Project Title:** 17th Street Revitalization Project in Philadelphia

**Recipient:** Pathways Housing Wellness Corporation

**Amount:** \$1,000,000

**County:** Philadelphia

**Project Description:** This project will construct a community room to serve residents of the 17th Street Revitalization Project, a new construction development with 36 quality, affordable housing units for extremely low-income individuals.

**Project Title:** Rowan House in Philadelphia

**Recipient:** HopePHL

**Amount:** \$912,000

**County:** Philadelphia

**Project Description:** This project will make repairs and improvements to Rowan House, a 26-unit supportive housing complex located in West Philadelphia. Rowan House provides low-income housing and supportive services to families experiencing homelessness who have also experienced domestic violence.

**Project Title:** Lower North Affordable Homeownership Project

**Recipient:** Habitat for Humanity Philadelphia, Inc.

**Amount:** \$850,000

**County:** Philadelphia

**Project Description:** This project will perform construction work to build a new neighborhood for twelve new homes, and construct four of them, in North Philadelphia. This will help more low-income Philadelphians become homeowners and build equity. Senator Casey secured this funding in partnership with Representative Evans.

**Project Title:** Apartments at 40th Street Place

**Recipient:** Mt. Vernon Manor, Inc.

**Amount:** \$900,000

**County:** Philadelphia

**Project Description:** This project will construct 40 units of housing for low-income Philadelphians in the Mantua and Belmont neighborhoods. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Evans.

**Project Title:** Westbrook Community Apartments

**Recipient:** The Brian Westbrook Foundation, Inc.

**Amount:** \$500,000

**County:** Philadelphia

**Project Description:** This project will construct a multi-story building in Philadelphia's Nicetown-Tioga neighborhood involving the adaptive reuse of a former auto body shop to create affordable apartments for families. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Carousel House Renovation in Philadelphia

**Recipient:** City of Philadelphia

**Amount:** \$1,000,000

**County:** Philadelphia

**Project Description:** This project will support the transformative renovation of Carousel House, a public recreation center specifically designed for children and adults with disabilities. The funding will be used to construct the city's first fully inclusive playground on the site.

**Project Title:** 52nd Street Streetscape Improvement

**Recipient:** City of Philadelphia Department of Commerce

**Amount:** \$500,000

**County:** Philadelphia

**Project Description:** This project will upgrade West Philadelphia's historic 52nd Street Corridor, improving safety, accessibility, and mobility in this neighborhood. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Evans.

**Project Title:** Franklin Square Lighting

**Recipient:** Historic Philadelphia, Inc

**Amount:** \$250,986

**County:** Philadelphia

**Project Description:** This project will upgrade lighting at Franklin Square in Philadelphia, making the park safer for pedestrians in this historic square originally laid out by William Penn. Senator Casey secured this funding in partnership with Representative Boyle.

**Project Title:** Navy Yard Lift Bridge Rehabilitation

**Recipient:** Philadelphia Authority for Industrial Development

**Amount:** \$1,666,279

**County:** Philadelphia

**Project Description:** This project will rehabilitate the 26th Street Lift, an important access point to the Philadelphia Navy Yard from South Philadelphia and I-95. This work will ensure that the bridge can continue to serve both commuting workers and passing ships. Senator Casey secured this funding in partnership with Representative Scanlon.

**Project Title:** Eastwick, Philadelphia County, PA; U.S. Army Corps of Engineers

**Recipient:** U.S. Army Corps of Engineers

**Amount:** \$100,000

**County:** Philadelphia

**Project Description:** This project will perform planning work to address frequent flooding in the Eastwick neighborhood of Philadelphia.

**Project Title:** Fairmount Park Infrastructure Improvements in Philadelphia

**Recipient:** Fairmount Park Conservancy

**Amount:** \$500,000

**County:** Philadelphia

**Project Description:** The project will make infrastructure improvements in West Fairmount Park to make the park safer for pedestrians and cyclists and recover the park's lost connections to the adjacent East Parkside neighborhood.

**Project Title:** Building a State-of-the-Art Child Advocacy and Regional Training Center

**Recipient:** Mission Kids Child Advocacy Center

**Amount:** \$1,000,000

**County:** Montgomery

**Project Description:** This funding will allow Mission Kids to acquire equipment and other supplies for law enforcement and criminal justice efforts in a new child advocacy center & regional training center to better serve law enforcement, children, families, and other child-serving professionals across Pennsylvania and the region. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Revitalization of the 400 Block of Main Street, Collegeville

**Recipient:** Ursinus College

**Amount:** \$1,000,000

**County:** Montgomery

**Project Description:** Revitalizing the 400 Block of Main Street will transform Collegeville's primary social and economic corridor into a vibrant and accessible streetscape. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Dean.

**Project Title:** Salvation Army Norristown Family Residence Repair and Restoration

**Recipient:** The Salvation Army of Eastern Pennsylvania and Delaware

**Amount:** \$1,000,000

**County:** Montgomery

**Project Description:** This project will make renovations to The Salvation Army's Norristown facility, which has fallen into disrepair. The project will ensure that this vital shelter can continue acting as a safe, secure environment where families can get help with their immediate needs. Senator Casey secured this funding in partnership with Representative Scanlon.

**Project Title:** ACLAMO's Health, Housing, and Workforce Development Community Center

**Recipient:** ACLAMO

**Amount:** \$1,000,000

**County:** Montgomery

**Project Description:** ACLAMO's Health, Housing, and Workforce Development Community Center Revitalization Project will allow for critical repairs and

modernization of the building that houses ACLAMO's Community Center, including ADA improvements. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Scanlon.

**Project Title:** Share Food Program, Montgomery County Warehouse Development

**Recipient:** Share Food Program

**Amount:** \$500,000

**County:** Montgomery

**Project Description:** The Share Food Program at Montgomery County Warehouse Development project will complete vital repairs, as well as install solar panels and a generator at the Montgomery County satellite warehouse, which will serve an estimated 80,000 people on a weekly basis. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Dean.

**Recipient:** Darby Library Company

**Amount:** \$780,000

**County:** Delaware

**Project Description:** This project would renovate the 150-year-old Darby Library building to better provide library services to the community. The renovations will provide equitable access to America's oldest free library and make critical repairs to the building. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Grace Manor Housing Development

**Recipient:** Chester Economic Development Authority

**Amount:** \$1,000,000

**County:** Delaware

**Project Description:** The Grace Manor Housing Development will transform an abandoned school building into a residential community with approximately 20 single family units for households at or below 80% of area median income. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Scanlon.

**Project Title:** FarmerJawn Research and Education Barn Revitalization

**Recipient:** FarmerJawn & Friends Foundation Fund

**Amount:** \$657,000

**County:** Chester

**Project Description:** This project will allow the FarmerJawn and Friends Foundation Fund to restore a dilapidated barn on the Westtown School property in Westtown. This restored barn will allow the organization to continue its mission of expanding agricultural education. Senator Casey secured this funding in partnership with Representative Houlihan.

**Project Title:** New Facility Development

**Recipient:** Kennett Area Community Service (KACS)

**Amount:** \$1,000,000

**County:** Chester

**Project Description:** This project will build a new facility in Kennett Square to replace other buildings that have outlived their usefulness and provide space for the new regional food distribution hub, as well as the organization's Emergency Assistance Department to assist those dealing with homelessness.

**Project Title:** Acquisition of Campus, Non-Profit Hub

**Recipient:** Ann's Heart

**Amount:** \$977,573

**County:** Chester

**Project Description:** This project will allow Ann's Heart to purchase the building it is currently using, which hosts a suite of non-profits that serve the Phoenixville community. This will allow for the continuation of these services in a consistent setting. Senator Casey secured this funding in partnership with Representative Houlihan.

**Project Title:** Borough of Kennett Square for Wastewater Treatment Plant Expansion

**Recipient:** Borough of Kennett Square

**Amount:** \$959,752

**County:** Chester

**Project Description:** This project will fund the purchase of UV treatment equipment as part of the expansion of the local wastewater treatment plant so that it can increase its capacity and continue to provide service for the community. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Houlihan.

**Project Title:** City of Coatesville for Ash Park Master Plan Implementation Phase 2

**Recipient:** City of Coatesville

**Amount:** \$959,752

**County:** Chester

**Project Description:** This project will improve Ash Park in Coatesville by implementing ADA accessibility improvements, constructing trail and storm water infrastructure, and installing new trees and meadow areas. Senator Casey secured this funding in partnership with Representative Houlihan.

**Project Title:** Borough of Oxford for Clean Water Infrastructure, Facilities, and Equipment

**Recipient:** Borough of Oxford

**Amount:** \$500,000

**County:** Chester

**Project Description:** This project will modify and upgrade the Borough of Oxford's water treatment to address deteriorating infrastructure and help the Borough

maintain the sustainability of its services.

**Project Title:** Township of Falls Authority for Sanitary Sewer Lining

**Recipient:** Township of Falls Authority

**Amount:** \$320,000

**County:** Bucks

**Project Description:** The project will make necessary repairs to the Falls Authority sanitary sewer to prevent infiltration and restore the structural integrity and capacity of the existing sewer network.

**Project Title:** Olivet Boys & Girls Club Blue Door Project

**Recipient:** Olivet Boys & Girls Club

**Amount:** \$1,000,000

**County:** Berks

**Project Description:** This project will make needed facility improvements at the Olivet Boys & Girls Club, which will increase the number of youth that it can serve and positively impact the community.

**Project Title:** Blighted Property Acquisition and Remediation in Reading

**Recipient:** City of Reading

**Amount:** \$1,000,000

**County:** Berks

**Project Description:** This project will transform blighted properties in the City of Reading. The funding will be used in South Reading to acquire and then stabilize or demolish blighted properties, returning them to productive use. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Goggleworks II Historic Building Revitalization in Reading

**Recipient:** Our City Reading, Inc.

**Amount:** \$750,000

**County:** Berks

**Project Description:** This project will remediate and reclaim a historic building in Reading so that it can be used by three different community-serving nonprofits. This project will not only reduce blight in the community, but also allow for the expansion of these groups' presence in the area.

**Project Title:** Police Cruisers & Public Safety Technology

**Recipient:** Allentown Police Department

**Amount:** \$963,000

**County:** Lehigh

**Project Description:** With this funding, the Allentown Police Department will be able to purchase new police cruisers, as well as new technology to reduce the risk of officer injuries when testing and processing illegal drugs, and other technology to assist with photographing and processing crime scenes. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Wild.

**Project Title:** Expert Witness Training Center & Crime Scene Lab

**Recipient:** Cedar Crest College

**Amount:** \$608,000

**County:** Lehigh

**Project Description:** This funding will allow Cedar Crest College to acquire equipment and other supplies for the creation of an Expert Witness Training Center & Crime Scene Lab. The center will train forensic scientists, expert witnesses, and law enforcement professionals and enhance criminal justice efforts across Pennsylvania. Senator Casey secured this funding in partnership with Representative Wild.

**Project Title:** Allentown Intersection Safety Improvements

**Recipient:** City of Allentown

**Amount:** \$1,125,000

**County:** Lehigh

**Project Description:** This project will improve the intersection of Lehigh Street and Union Street in the City of Allentown, making it safer for motorists and pedestrians alike. Senator Casey secured this funding in partnership with Representative Wild.

**Project Title:** Friendship Park in Bethlehem

**Recipient:** City of Bethlehem

**Amount:** \$305,000

**County:** Northampton

**Project Description:** This project will make significant improvements to Friendship Park in the Northside neighborhood of Bethlehem. This work is part of the City of Bethlehem's broader neighborhood revitalization efforts, which will turn the park into a neighborhood hub and community asset.

**Project Title:** Lehigh University Alley House Program

**Recipient:** Lehigh University

**Amount:** \$850,000

**County:** Northampton

**Project Description:** This project will bring together local housing advocacy groups to construct affordable housing units that take advantage of limited space. These homes will offer an example of a housing plan that can be replicated elsewhere. Senator Casey secured this funding in partnership with Senator Fetterman and Representative Wild.

**Project Title:** Slateford Rail Bridge Restoration

**Recipient:** Pennsylvania Northeast Regional Rail Authority

**Amount:** \$2,000,000

**County:** Northampton

**Project Description:** This project will reconstruct the Slateford Bridge over the Delaware River and make nearby culvert repairs. This bridge is a key part of the route between Scranton and New York City.

## **Northeastern Pennsylvania**

**Project Title:** Supporting Survivors of Domestic Violence and/or Sexual Abuse in Scranton and Lackawanna County

**Recipient:** Women's Resource Center, Inc.

**Amount:** \$350,000

**County:** Lackawanna

**Project Description:** The Women's Resource Center provides comprehensive services for victims of domestic violence. This project will construct a new building next to the Center's existing facility. This expansion will provide additional office space to meet the need for programming and staff.

**Project Title:** Tunkhannock Borough Municipal Authority for Hill Reservoir Cover and Liner

**Recipient:** Tunkhannock Borough Municipal Authority

**Amount:** \$500,000

**County:** Wyoming

**Project Description:** This project will help renovate Tunkhannock Borough Municipal Authority's principal water storage facility, which will help keep the reservoir water fit for human consumption and safe from microbial contamination. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Loyalsock Foundation Community Center

**Recipient:** Loyalsock Foundation

**Amount:** \$457,000

**County:** Sullivan

**Project Description:** This project will construct the initial phase of a multi-generational regional wellness and community center to address the urgent need for a safe recreation facility in the rural community.

**Project Title:** Borough of Girardville Municipal Building Renovations

**Recipient:** Borough of Girardville

**Amount:** \$317,000

**County:** Schuylkill

**Project Description:** This project will make renovations to the Girardville Municipal Building, which serves as a community center, government service hub, and emergency shelter during disasters.

**Project Title:** Schuylkill County Municipal Authority for Redundant Water Main

**Recipient:** Schuylkill County Municipal Authority

**Amount:** \$440,000

**County:** Schuylkill

**Project Description:** This project will construct a backup water main to ensure continued service to residential and commercial users, as well as the local correctional facility, in the event of any disruption. A rupture along the existing

line in 2022 highlighted the need for this project. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Weatherly Police Digital Radio System

**Recipient:** Weatherly Borough Police Department

**Amount:** \$120,000

**County:** Carbon

**Project Description:** This project will upgrade the Weatherly Borough Police Department's digital radio equipment to provide compatible digital communication with surrounding police departments, as well as with school resource officers in public schools in order to respond swiftly in times of an emergency.

**Project Title:** Coaldale Lansford Summit Hill Sewer Authority and Boroughs Collection System Improvements

**Recipient:** Coaldale Lansford Summit Hill Sewer Authority

**Amount:** \$1,000,000

**County:** Carbon

**Project Description:** This project will address needed rehabilitation work along a sanitary sewer system, including two pumping stations and a force main. Senator Casey secured this funding in partnership with Representative Wild.

**Project Title:** Borough of Lehighton for Rehabilitation of Sewage Pipes

**Recipient:** Borough of Lehighton

**Amount:** \$500,000

**County:** Carbon

**Project Description:** This project will reduce infiltration of stormwater and groundwater into the sanitary sewer system, restoring capacity and allowing economic growth and land development to continue.

**Project Title:** Pocono, Section 219, PA; U.S. Army Corps of Engineers

**Recipient:** U.S. Army Corps of Engineers

**Amount:** \$1,000,000

**County:** Monroe

**Project Description:** This project will improve water and storm water infrastructure in Pocono Township in Monroe County. Senator Casey secured this funding in partnership with Representative Cartwright.

**Project Title:** Pike County, Section 219, PA; U.S. Army Corps of Engineers

**Recipient:** U.S. Army Corps of Engineers

**Amount:** \$1,000,000

**County:** Pike

**Project Description:** This project will improve water and storm water infrastructure in Pike County.

**Project Title:** Rehabilitation of Bridge on State Route 6 over Delaware River

**Recipient:** PennDOT

**Amount:** \$980,000

**County:** Pike

**Project Description:** This project will rehabilitate the SR 6 bridge over the Delaware River between Matamoras Borough, Pennsylvania, and the City of Port Jervis, New York. This bridge is currently rated as being in "poor" condition. Senator Casey secured this funding in partnership with Representative Cartwright.

**Project Title:** Entrance and Rail Crossing into Riverfront Park in Susquehanna Depot

**Recipient:** Borough of Susquehanna Depot

**Amount:** \$1,000,000

**County:** Susquehanna

**Project Description:** This project will construct a new entrance and rail crossing to Ira Reynolds Riverfront Park, a "brownfield to greenfield" project in Susquehanna Depot. It will increase safety at the rail crossing and improve access to the park.

**Project Title:** Lackawanna River Basin Sewer Authority for Clinton Township Wastewater Treatment Plant Clarifier Replacement Project

**Recipient:** Lackawanna River Basin Sewer Authority

**Amount:** \$959,757

**County:** Susquehanna

**Project Description:** This project will upgrade aging infrastructure at the wastewater treatment plant to meet better clean water standards. Senator Casey secured this funding in partnership with Representative Cartwright.

**Project Title:** Child Hunger Outreach Partners Program Expansion Community Project

**Recipient:** Child Hunger Outreach Partners

**Amount:** \$750,000

**County:** Bradford

**Project Description:** This project will allow Child Hunger Outreach Partners to upgrade and expand its food pantry, allowing the pantry to serve more food insecure children and expand delivery options to school districts.

**Project Title:** Pine Creek Rail Trail Extension in Tioga County

**Recipient:** Tioga County Board of Commissioners

**Amount:** \$750,000

**County:** Tioga

**Project Description:** This project will provide a non-motorized transportation alternative for pedestrians and cyclists trying to access the Pine Creek Rail Trail and will improve safety by getting pedestrians and cyclists off the highly

trafficked Route 6 highway.

## **Central Pennsylvania**

**Project Title:** Steelton Community Gardens Project

**Recipient:** Borough of Steelton

**Amount:** \$218,000

**County:** Dauphin

**Project Description:** This project will create a community garden in Steelton to address food security in the borough. This garden will also help mitigate flooding issues and provide an area for children to play.

**Project Title:** Capital Region Water for Paxton Creek Restoration Planning Project

**Recipient:** Capital Region Water

**Amount:** \$500,000

**County:** Dauphin

**Project Description:** This funding will help the City of Harrisburg purchase property where a new wastewater collection line can be installed. This is a part of a larger project to restore Paxton Creek to its natural course, which would reduce flood risks in Harrisburg.

**Project Title:** YForward Historic Porch and ADA-Access Restoration Project

**Recipient:** YWCA Lancaster

**Amount:** \$995,000

**County:** Lancaster

**Project Description:** This project will restore the YWCA-operated community center and housing facilities, including accessibility upgrades. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Food Mart and Housing in Lancaster

**Recipient:** South Ann Concerned Neighbors, Inc.

**Amount:** \$750,000

**County:** Lancaster

**Project Description:** This funding will support efforts to turn an abandoned lot into affordable housing and a fresh food grocery store in Lancaster.

**Project Title:** Domestic Violence Intervention Construction and Rehabilitation Project

**Recipient:** Domestic Violence Intervention of Lebanon County, Inc.

**Amount:** \$500,000

**County:** Lebanon

**Project Description:** This funding will support improvements to the accessibility and security of the Domestic Violence Intervention of Lebanon County shelter.

**Project Title:** Hellam Township - UTVs, Police Cars, and Equipment

**Recipient:** Hellam Township

**Amount:** \$96,000

**County:** York

**Project Description:** This funding will provide utility task vehicles (UTVs), police vehicles, and equipment to help police maintain public safety at Susquehanna Riverland State Park.

**Project Title:** Bantz Park Improvement in York

**Recipient:** Partnership for Economic Development in York County

**Amount:** \$500,000

**County:** York

**Project Description:** This funding will support improvements to Bantz Park in the City of York, where greenspace and recreational assets are limited.

**Project Title:** Susquehanna Discovery Center

**Recipient:** Susquehanna National Heritage Area

**Amount:** \$1,000,000

**County:** York

**Project Description:** This funding will support the preservation and redevelopment of the historic Mifflin farm near the Susquehanna River in York County as the Susquehanna Discovery Center and Heritage Park.

**Project Title:** Gettysburg Welcome Center

**Recipient:** Borough of Gettysburg

**Amount:** \$1,272,436

**County:** Adams

**Project Description:** This funding will support the construction of a Gettysburg Welcome Center which will help promote economic development, uplift local businesses, and attract more visitors to Adams County. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Construction at the Component Rebuild Shop at Letterkenny Army Depot

**Recipient:** Army

**Amount:** \$2,500,000

**County:** Franklin

**Project Description:** This funding will allow construction to begin on Phase I of an Air and Missile Defense Production Facility at Letterkenny Army Depot. The new facility will make Letterkenny more productive and efficient as it provides our troops with equipment and services that are critical to our national security. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Franklin County MPO - New Interstate 81 Interchange (Exit 12)

**Recipient:** County of Franklin

**Amount:** \$2,000,000

**County:** Franklin

**Project Description:** This project will construct a new interchange near mile marker 12 on Interstate 81 in Franklin County. The new interchange will make

passenger and freight traffic in the region safer and more efficient. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** South Central Pennsylvania, Section 313, PA (Southgate, Chambersburg); U.S. Army Corps of Engineers

**Recipient:** U.S. Army Corps of Engineers

**Amount:** \$1,500,000

**County:** Franklin

**Project Description:** This funding will support the extension of sewer line in Chambersburg to prevent storm water overflow problems. This project is part of the Southgate Shopping Center Redevelopment Initiative.

**Project Title:** Cumberland County DNA Support Project

**Recipient:** Cumberland County District Attorney's Office

**Amount:** \$284,000

**County:** Cumberland

**Project Description:** This project will expand traditional and rapid DNA analysis capabilities at the Cumberland County DA's office.

**Project Title:** The Perry County Literacy Council Education, Advocacy, and Support Campus

**Recipient:** Perry County Literacy Council

**Amount:** \$900,000

**County:** Perry

**Project Description:** This funding from will help the Perry County Literacy Council upgrade and expand its facility, where it provides tutoring and social support services.

**Project Title:** Secondary Water Supply Source in Millerstown Borough

**Recipient:** Millerstown Borough

**Amount:** \$500,000

**County:** Perry

**Project Description:** This project will add a secondary public water source for Millerstown Borough. The community currently relies on a single well, which poses issues during outages or during maintenance.

**Project Title:** 2024 Sewer Rehab and Wastewater Treatment Plant Upgrade

**Recipient:** Port Royal Municipal Authority

**Amount:** \$486,000

**County:** Juniata

**Project Description:** This project will upgrade the First Street Pump Station to prevent storm water infiltrating the sanitary sewer system. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** Mifflin County Historic Courthouse Rehabilitation Project

**Recipient:** Mifflin County Board of Commissioners

**Amount:** \$1,080,000

**County:** Mifflin

**Project Description:** This project will help upgrade the former Mifflin County courthouse building, which now houses institutions like the Mifflin County Historical Society, the Juniata River Valley Chamber of Commerce, and the Juniata River Valley Visitors Bureau. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** County of Bedford for Sanitary Sewer System Replacement

**Recipient:** Bedford County

**Amount:** \$440,000

**County:** Bedford

**Project Description:** This project will make upgrades to wastewater, storm water, and drinking water infrastructure at the Bedford Fairgrounds.

**Project Title:** EBT Foundation, Inc. for East Broad Top Railroad Fire Suppression

**Recipient:** EBT Foundation, Inc.

**Amount:** \$500,000

**County:** Huntingdon

**Project Description:** This project will install a fire-suppression system at East Broad Top Railroad's machine-shop complex, allowing for safe demonstration of machines.

**Project Title:** Martinsburg Municipal Authority for Elevated Storage Tank Installation

**Recipient:** Martinsburg Municipal Authority

**Amount:** \$1,000,000

**County:** Blair

**Project Description:** This project will construct a new elevated storage tank as a part of the Martinsburg Municipal Authority's water system.

**Project Title:** Centre County Public Safety Education Building

**Recipient:** Centre County

**Amount:** \$2,000,000

**County:** Centre

**Project Description:** This funding will support the construction and operation of a new education building to train fire fighters, EMS, and police officers in the county and region. Senator Casey secured this funding in partnership with Senator Fetterman.

**Project Title:** State College Area Food Bank Renovations and Relocation

**Recipient:** The Food Bank of the State College Area, Inc.

**Amount:** \$750,000

**County:** Centre

**Project Description:** This funding will support the relocation of the Food Bank of the State College Area to a new building to double service capacity.

**Project Title:** Community Green Space in Philipsburg

**Recipient:** Philipsburg Revitalization Corporation

**Amount:** \$147,000

**County:** Centre

**Project Description:** This funding will support the restoration of a blighted vacant lot in downtown Philipsburg and convert it into a community green space.

**Project Title:** Allen Street Safety Improvements in State College

**Recipient:** State College Borough

**Amount:** \$1,595,411

**County:** Centre

**Project Description:** This funding will support safety and accessibility upgrades along Allen Street in State College.

**Project Title:** Steelton Community Gardens Project

**Project Title:** Driftwood Borough Water Infrastructure Upgrade Project

**Recipient:** Driftwood Borough

**Amount:** \$500,000

**County:** Cameron

**Project Description:** This project will make needed infrastructure improvements in Driftwood Borough to reduce the likelihood of contaminants like lead and iron from entering the borough's drinking water system.

**Project Title:** Lock Haven Police Building

**Recipient:** City of Lock Haven

**Amount:** \$1,000,000

**County:** Clinton

**Project Description:** This funding will support the construction of a new police department building in Lock Haven.

**Project Title:** Greater Renovo Area Heritage Park Maxwell Building

**Recipient:** The Greater Renovo Area Heritage Park

**Amount:** \$138,000

**County:** Clinton

**Project Description:** This funding will support the expansion of the Maxwell Building at the Greater Renovo Heritage Park to expand learning options for local youth.
