<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Chatham University	This project will support the expansion of Chatham University's Business of Childcare Training program beyond the City of Pittsburgh to nearby counties and will help launch a program to help businesses navigate post-COVID regulations.	Allegheny PA	\$157
Bedford County Development Association	This project would serve rural small businesses through a two-year entrepreneurial training and technical assistance program to improve business longevity and promote growth in a rural region.	Bedford PA	\$350
Army Heritage Center Foundation	This project will fund the proof of concept for a national seminar program to introduce school teachers to the historical resources of the U.S. Army Heritage and Education Center, the Nation's premiere repository on the history and heritage of the Army and its Soldiers.	Cumberland PA	\$90
DRIVE	The project will complete the DRIVE Business Hub, a business incubator designed to support growth-oriented companies beyond the startup stage. The project includes replacing a large section of roofing that is nearing end of life, as well as upgrading older HVAC systems.	Montour PA	\$499
The Improved Milton Experience	This project will create a new rural incubator in Northumberland County to enhance programming that intentionally links members and ecosystem partners in rural communities of the Susquehanna River Valley.	Northumberland PA	\$210
Mom Your Business	The project will be a physical extension of the programming and support that Mom Your Business currently offers. The project will provide female entrepreneurs who are balancing family life and work the space to grow personally and professionally.	Philadelphia PA	\$130
University City Science Center	This project will train small companies to attract capital and will increase and diversify the number of angel investors in Pennsylvania, leading to a higher average return on the federal investment, and engage historically excluded communities to address the lack of equity in startup investing.	Philadelphia PA	\$400
Museum of the American Revolution	This project will help create a digitized Patriots of Color Archive, establishing a unique and accessible resource for exploring the extraordinary lives of the more than two hundred men of African and Native American descent who served the Continental Army during the Revolutionary War.	Philadelphia PA	\$500
Wayne County Commissioners	The project will provide funding for the development of the Agricultural Innovation Center in Wayne County, Pennsylvania. The Center will offer opportunities and business support for entrepreneurs to develop and market new agri-businesses.	Wayne PA	\$750
