LABOR, AND PENSIONS

SELECT COMMITTEE  
ON INTELLIGENCE

SPECIAL COMMITTEE ON AGING

# United States Senate

WASHINGTON, DC 20510

June 5, 2024

The Honorable Tammy Baldwin  
Chairwoman  
Appropriations Subcommittee on Labor,  
Health and Human Services, Education, and  
Related Agencies  
Washington, DC 20510

The Honorable Shelley Moore Capito  
Ranking Member  
Appropriations Subcommittee on Labor,  
Health and Human Services, Education, and  
Related Agencies  
Washington, DC 20510

Dear Chairwoman Baldwin and Ranking Member Capito:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Labor, Health and Human Services, Education, and Related Agencies Appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Robert P. Casey, Jr.  
United States Senator

**Casey, Robert(D-PA) Labor and Health and Human Services  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Trying Together	To build the pipeline of credentialed child care workers.	Allegheny PA	\$500
Homewood Children's Village	This project will support Homewood Children's Village in expanding community schools services to additional children, families, and educators in Pittsburgh, to better support the education and holistic development of K-12 students.	Allegheny PA	\$250
TRWIB, Inc. (DBA Partner4Work)	To improve access to job training by providing funding for and referrals to quality child care options for clients.	Allegheny PA	\$450
The Citizen Science Lab	This project would support the expansion of The Citizen Science Lab's successful programs, which engage middle and high school students in STEM learning activities.	Allegheny PA	\$500
The United Way of Southwestern Pennsylvania	The United Way's School Readiness and Youth Literacy in Southwestern Pennsylvania project will expand its existing programs, Early Learning Kits, Tools for Schools, and Big Book Drop, to support families and children in five Pennsylvania counties and create more equitable learning opportunities.	Allegheny PA	\$913
Tree of Life, Inc.	To support the development and implementation of educational initiatives for elementary and secondary students to learn about antisemitism and identity-based hate.	Allegheny PA	\$1,200
Cornerstone Care, Inc.	To support construction of a building to house a new community health center and other health services, including family medicine, psychiatry and behavioral health counseling, general dentistry, case management, pharmacy assistance, and a community health worker.	Allegheny County PA	\$500
Pennsylvania Organization for Women in Early Recovery	To make capital improvements to POWER House, a licensed, residential treatment facility for women with substance use disorder.	Allegheny County PA	\$515
Duquesne University	To purchase health care technology and equipment for highly interactive osteopathic medical student training.	Allegheny County PA	\$550
Western Pennsylvania Diaper Bank	To ensure that every child can thrive, irrespective of economic constraints, through promoting equitable access to diapers and other essential items by creating a mobile diaper distribution program aimed at reaching residents in both public housing and rural areas.	Allegheny County PA	\$200
Open Up	Future Leaders in an Inclusive World: Training for Young Adults Living with Disabilities project will develop a series of trainings for young adults with disabilities ages 18-25 to support them as they transition from school-based supports to succeed in living in the community independently.	Allegheny County, PA PA	\$200
LGBT Center of Greater Reading	To support access to mental health care for underserved populations as part of a broader economic security initiative.	Berks PA	\$565

United Way of Berks County	Through this project, the United Way of Berks County will expand its dual-impact literacy programs, which improve the reading skills of early elementary students and provide high school students with paid work experience (stipends) for their high-quality tutoring.	Berks PA	\$500
Reading Science Center	This project would help the Reading Science Center, which provides hands-on educational science experiences for the children of Reading and Berks County, expand their programming in order to double the number of children they serve.	Berks PA	\$220
Rodale Institute	This funding will support an initiative to provide training and mentorship to organic food inspectors to meet growing demand.	Berks PA	\$350
Berks Encore, Inc.	The CAPABLE program enhances independence and well-being of older adults by addressing functional limitations. Community health nurses work with older adults to enhance their well-being., attending to their physical, emotional, and social needs leading to better health outcomes and reduced costs.	Berks County, PA PA	\$500
Troy Community Hospital	To upgrade Troy Hospital's HVAC systems, operating room equipment, and general equipment efficiency.	Bradford County PA	\$484
Telespond Senior Services, Inc.	Creation of an Adult Advocacy Center (OAAC) to serve older adults (60+), from 11 counties, who have been abused, neglected, abandoned, or exploited. Funds are requested to support the programming, including staffing, training, education/outreach, transportation, evaluation, and IT services.	Bradford, Carbon, Luzerne, Monroe, Pike, Sullivan, Susquehanna, Tioga, Wayne, and Wyoming Counties, PA PA	\$500
Valley Youth House Committee, Inc.	To provide an evidence-based, in-home family therapy training models to support safe and stable families and reduce foster care placements.	Bucks County PA	\$511
Slippery Rock University of Pennsylvania	To create an Interprofessional Clinical Simulation Center for nursing students to develop clinical expertise.	Butler County PA	\$500
Johnstown Area Regional Industries (JARI)	To provide additional training and employment opportunities for the unemployed or underemployed disadvantaged residents.	Cambria PA	\$300
Richland School District	This project will support Richland Elementary School's early childhood literacy and STEAM programs, which will provide high-quality pre-kindergarten instruction to students and create education and training opportunities for young teachers through partnerships with local colleges and universities.	Cambria PA	\$250
University of Pittsburgh at Johnstown	This project will support the University of Pittsburgh at Johnstown and the Pittsburgh Gateways Corporation in establishing Future Works, an advanced manufacturing education and training space, where students will receive academic programming and training in advanced manufacturing industries.	Cambria PA	\$2,383
Center for Population Health	To support the well-being of children through comprehensive services including early learning, nutrition, and economic security.	Cambria County PA	\$500
Cameron County Ambulance Service Inc.	To purchase a new ambulance van to reduce wait times in rural communities that currently only have one ambulance to support the entire area.	Cameron County PA	\$352

Penn State University	To support the establishment of the Pennsylvania Addiction Action Network, providing coordinated data analysis and interpretation for local officials to improve substance misuse outcomes and inform use of funds from Pennsylvania's opioid settlement.	Centre County PA	\$500
Workforce Solutions for North Central PA	To launch a vocational training program for high school and adult learners to gain relevant technological knowledge and skills for future employment.	Clearfield PA	\$200
Bucktail Medical Center	To upgrade equipment to enhance health care services and access to comprehensive care in Clinton County, PA.	Clinton County PA	\$500
Penn State Health Holy Spirit Medical Center	To renovate the 3rd and 4th floors of the Penn State Health Holy Spirit Medical Center to support the delivery of inpatient behavioral health services.	Cumberland County PA	\$500
Bhutanese Community in Harrisburg	To provide education about and connections to mental health services to the Bhutanese refugee community.	Dauphin County PA	\$160
Pennsylvania Coalition Against Domestic Violence	To provide flexible housing resources to victims and survivors of domestic violence experiencing house insecurity.	Dauphin County PA	\$500
The Arc of Pennsylvania	The Arc of Pennsylvania recently launched the Disability Health Action Network focusing on advancing healthcare for people with disabilities across the Commonwealth. The funding would make it possible to expand the network statewide with a website, training resources, and a health navigator program.	Dauphin, PA PA	\$500
